

**Declaration of Conformity (DoC) CE**  
**No HW/2/2019**

**Producer / Introducer:**

„MERCOR” S.A., ul. Grzegorza z Sanoka 2, 80-408 Gdańsk.

**We declare that the product described below:**

Name: Axial fan  
Type: mcr Monsun / BO  
Serial number: according to the nameplate, all manufactured

**It complies with the requirements specified in:**

2006/42/CE – to the extent required for the product  
2014/30/EU – compliance applies to the product itself  
2006/95/WE – to the extent required for the product

The product is designed and manufactured in accordance with the following standards, in relevant parts.  
EN 60204-1:2018 Safety of machinery – Electrical equipment of machines – Part 1: General requirements  
EN ISO 12100:2010 Safety of machinery – General principles for design — Risk assessment and risk reduction  
EN ISO 13857:2019 Safety of machinery – Safe operating distances

**Purpose and scope of application of the product:**

Axial jet fan mcr Monsun / BO is designed for work as one- or two speed units in general/comfort ventilation systems (transport of a medium with a specific specification after being used in a machine within the meaning of Directive 2006/42/EC).

The Producer is not responsible for parts or components added or assembled by the Customer.

The technical documentation of the product is available at the MERCOR S.A. production plant in Cieplewo, ul. Kwarцова 3A.

**The fan can work with the following accessories:**

Mounting feet, protective grids, flexible connections, counter flanges, shock absorbers, silencers, start-stop service switch, frequency converter, automatic return damper
